2009 Rule Adjustments

EFFECTIVE: January 9, 2008

DIRTcar Big Block and 358-Modified Classes

1. 2008 rules will remain unchanged in 2009.

DIRTcar Sportsman: All 2008 rules will remain unchanged in 2009 with the following exceptions:

1. **Shocks:** A shock rule is currently being developed with enforcement scheduled to begin in 2010. Only shocks up to \$150 MSRP will be permitted. All shocks must also be approved and be identified as a "DIRTcar Approved shock". The list of approved shocks will be available in the coming months. Teams are urged to begin the switch to the approved shock during the 2009 season.
2. **Rear End:** The use of the V-8 Midget Rear end will not be permitted.

DIRTcar Pro Stock: All 2008 rules will remain unchanged in 2009 with the following exceptions:

1. **Shocks:** A shock rule is currently being developed with enforcement scheduled to begin in 2010. Only shocks up to \$150 MSRP will be permitted. All shocks must also be approved and be identified as a "DIRTcar Approved shock". The list of approved shocks will be available in the coming months. Teams are urged to begin the switch to the approved shock during the 2009 season.
2. **Open Motor Option:** The use of Open Motor Option engines will be permitted for use in 2009 but will now be required to weigh 3200 tsp.
3. **Rear End:** The use of the V-8 Midget Rear end will not be permitted.
